

LITTLE A LITTLE LONGER:

Parent Treatment Journal

LiTTLe
a LiTTLe LONGER

A community resource
for caregivers of kids with CPP.

This Treatment Journal is a tool to help you keep track of your child's progress as they embark on their CPP treatment journey.

Capture at-home observations or questions you may have about your child after each treatment, as well as injection site locations and measurements taken at the doctor's office.

LITTLE A LITTLE LONGER

Treatment Journal

Establishing a dialogue with your child's treatment team is an important part of your child's treatment process. This journal can be used to keep track of your child's response to treatment, including physical and behavioral changes, as well as any questions you may have for your next appointment.
